Dear Mayor Echols & Council Members:

Having served on the 2020 Comprehensive Plan Steering Committee and participated in associated focus groups and community meetings over the past two years, I would like to voice my support for both the plan and the process.

I continue to be favorably impressed with the level of professionalism and expertise demonstrated by City Staff, and I was especially impressed that the City of Rock Hill went “above-and-beyond” its state-mandated planning duties.

I did not agree with every single aspect of this Comprehensive Plan; however, I feel like my voice was heard and my points were considered.

At the end of the day, that is all any citizen can ask of their government, and I support you as you move forward to adopt this plan and map out our city’s future.

Furthermore, I had fun, and learned much. Please keep me in mind to serve the best interests of the City as a concerned and informed citizen in the future.

Sincerely,

Chad Simpson
