Economic and Urban Development Department  
City of Rock Hill  
P.O. Box 11706  
Rock Hill, SC 29731-1706

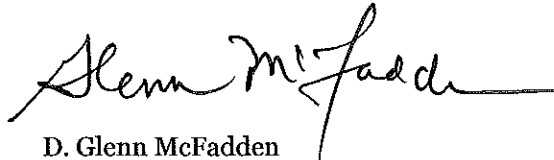

Dear Mr. Turner:

Comporium, a long-standing business based in downtown Rock Hill, is delighted to be a sponsor of The Hive and The Hive Business Center because of its potential benefits to our local economy. Comporium is providing free broadband service for two years and free installation of the structured wiring as our commitment to the support of a training center for young professionals in the fields of web marketing and web design.

Not only does an occupied 3,000 square foot space in Old Town represent the expectations for growth in Rock Hill, it also promises to provide business planning and marketing support for existing downtown retail and restaurant businesses.

We strongly urge the City Council and the York County Council to provide funding for this initiative to further ensure that it is established on a solid foundation. This is an important investment in the opportunities that the students from Winthrop and York Tech who use The Hive and The Hive Business Center will bring to Old Town and its overall strategic plan.

Sincerely,

D. Glenn McFadden  
Executive Vice President & COO
