RE: US 21/SC 121 Intersection Improvements
Bid Tabulation and Summary
CE: # 9543-RD

Dear Mr. Bagley:

We have reviewed the bid documents received on October 22, 2009 for the referenced project and found the following discrepancies:

8 Star Construction Co., Inc.

- ▶ The total bid amount listed in the bid does not equal the computed value using unit prices. Using the computed values, the computed total bid equals \$1,109,872.45. (When bid amounts do not equal computed values using unit prices, the unit prices govern. The corrected total bid amount is reflected in the attached Bid Tabulation and Summary.)

Blythe Development Co.

- ▶ The Bid Bond submitted by Blythe Development Company was co-signed by a South Carolina Agent but did not reference South Carolina registration. Blythe Development Company has been contacted by our office regarding this issue and will submit an updated bond with the co-signee's South Carolina registration added. The corrected bond will be sent to you under separate cover when received by our office.

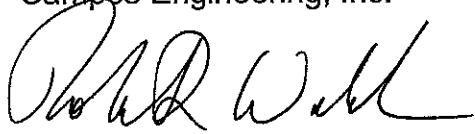

Based on the complete bid documentation submitted by the contractors and the enclosed Bid Tabulation and Summary, Blythe Development Company is the successful low bidder with a total bid of \$994,790.00.

Following receipt of the concurrence from City Council on the bid results, we will contact the contractor to coordinate developing the construction contracts and to establish an anticipated schedule for beginning construction. Please contact our office if you have any questions or need additional information.

With best regards,
Campco Engineering, Inc.
