Revised June 17, 2009**

Application Fee

No application fee will be charged for special event applications at this time. However, an application fee may be considered in the future.

NOTE: No Special Event application or permit is required for events held on private property, unless it involves the closing of streets or the need for City services. However, there may be a requirement for other permits such as: tent permits (cooking tents and other tents over 200 square feet), zoning compliance, sign permits, etc. Please contact the Planning and Development Department at 803/329-5590 for information on additional permitting requirements.

Safety and Security
